1. Attached is a copy of the first issue of the Russian language newspaper Vontade dos Povos, of which five thousand copies were published on 19 July 1949. This paper is reported to be the official organ of the anti-Communist organization ODENROS and to be anti-Soviet, pro-United States, and pro-democratic.
2. Vontade dos Povos will be issued bi-weekly for circulation throughout the United States, Brazil, and other South American countries, and will be distributed for ODENROS in Europe, particularly to DP camps in Germany.
3. ODENROS hopes to complete arrangements with the Brazilian government to finance the transmittal of a thousand copies to Germany for DP's who might be interested in immigrating to Brazil. Financial assistance has been obtained for the paper from the Spanish Embassy in Rio de Janeiro, the Brazilian Confederation of Industries and Commerce, and the Brazilian Ministries of Labor and Justice.
4. The attachment may be retained.
